

Privacy Policy

Last Updated: 24 March 2026

This Privacy Policy describes how Secura Finance ("Secura Finance", "we", "our", or "us") collects, uses, and protects information when you access or use our website, applications, smart contracts, and related services (collectively, the "Services").

By using the Services, you agree to the collection and use of information in accordance with this Privacy Policy.

1. Information We Collect

Because Secura Finance operates as a decentralized blockchain-based platform, the amount of personal information we collect may be limited.

We may collect the following types of information:

1.1 Information You Provide

You may voluntarily provide information such as:

- email address (if contacting support or subscribing)
- communication content
- feedback or inquiries
- any information submitted through forms

Providing this information is optional.

1.2 Blockchain Information

When you interact with the platform using a blockchain wallet, we may access publicly available blockchain information including:

- wallet addresses
- transaction hashes
- smart contract interactions
- token balances
- timestamps of transactions

This information is publicly available on blockchain networks and is not controlled by Secura Finance.

1.3 Automatically Collected Data

When you access the Services, certain technical information may be automatically collected, including:

- IP address
- browser type
- device information
- operating system
- access timestamps
- referring URLs
- usage statistics

This information helps us maintain, secure, and improve the Services.

1.4 Cookies and Tracking Technologies

The Services may use cookies or similar technologies to:

- improve user experience
- remember preferences
- analyze platform usage
- maintain security

You can control cookies through your browser settings.

2. How We Use Information

We may use collected information for purposes including:

- operating and maintaining the platform
- improving platform performance
- responding to support requests
- preventing fraud or abuse
- analyzing platform usage
- ensuring system security
- complying with legal obligations when required

We do not sell personal information to third parties.

3. Blockchain Transparency

Transactions performed through blockchain networks are public and permanent.

This means:

- wallet addresses may be visible to anyone
- transaction history cannot be deleted
- blockchain data is outside the control of Secura Finance

Users should understand that blockchain transactions may reveal certain information publicly.

4. Third-Party Services

The Services may interact with third-party services, including:

- blockchain networks
- wallet providers
- analytics providers
- infrastructure providers
- token issuers

These third parties may collect information according to their own privacy policies. Secura Finance is not responsible for the privacy practices of third-party services.

5. Data Security

We implement reasonable technical and organizational measures to protect information. However, no system can guarantee absolute security.

You acknowledge that:

- internet transmissions may not be secure
- blockchain systems are public networks
- unauthorized access may occur despite security measures

6. Data Retention

We retain information only for as long as necessary to:

- operate the Services
- comply with legal obligations
- resolve disputes
- enforce agreements

Certain data stored on blockchain networks may remain permanently accessible due to the immutable nature of blockchain technology.

7. Your Rights

Depending on your jurisdiction, you may have rights including:

- access to your personal information
- correction of inaccurate information
- deletion of certain data
- restriction of processing
- data portability

Because blockchain data is immutable, some information may not be technically removable.

8. Children's Privacy

The Services are not intended for individuals under the age of 18. Secura Finance does not knowingly collect personal information from minors.

9. International Data Transfers

The Services may be operated globally. Information may be transferred and processed in jurisdictions that may have different data protection laws than your country. By using the Services, you consent to such transfers.

10. Changes to This Privacy Policy

Secura Finance may update this Privacy Policy periodically. Updates will be posted on this page with a revised Last Updated date.
